A fresh approach...

NCS is an established company with a refreshing new approach to providing office solutions. As one of the UK's leading providers of office solutions we combine our expertise and experience in leading technologies with an innovative "Best of Breed" technical team providing a unique turnkey service that can be tailored to the specific needs of our customers.

From better control and monitoring of your printing and filing, to integrating your telecommunications system and IT network. Improving efficiencies in your mail room and maintaining your office consumables - NCS can deliver.

Let us take control

Our ethos is to take complete control of our customer's office technologies allowing them to concentrate on their core business. Our overall aim - to ensure that your office environment performs and operates as effectively as possible.

World leading partnerships

By choosing NCS as your office solutions partner you'll not only benefit from our wealth of experience and expertise but you can take further confidence from our strong partnerships with some of the world's leading brands, which include **Toshiba, Xerox, Panasonic, Aastra, FP Mailing, Neopost, BT Wholesale and Thus.**

“Our ethos is to take complete control of our customer's office technologies allowing them to concentrate on their core business”

TAKING CARE OF BUSINESS.

Complete solutions...

NCS.

DOCUMENT SOLUTIONS

NCS provide a complete range of document solutions which are designed to integrate with your business' IT network and software applications. Our multi-functional devices and printer ranges offer the foundations on which all of your document management solutions can be supported.

TELECOMMUNICATIONS

We offer a complete telecoms, network and cabling solution, specifically designed to deal with today's most demanding business needs. Our partnerships with the market leading telecommunications companies, combined with the expertise and technical knowledge of our people, allows us to design and implement innovative and cost effective communication solutions for our customers.

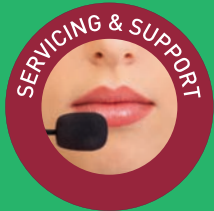

MAIL ROOM SOLUTIONS

Our mail room solutions range has been carefully selected to provide our customers with easy, flexible and professional ways to manage and control their business mailing efficiently and economically. Whatever your direct mailing, folding or franking requirements may be, from the front office to industrial mailing houses we encompass the full spectrum of low to high volume production, offering versatile solutions that can be customised to your individual needs.

IT SOLUTIONS

NCS helps businesses throughout the UK to optimise their technology and enhance productivity, whilst reducing business risk and maximising return on investment. Our in-depth technical knowledge, coupled with industry experience, enables us to provide our customers with the IT solution that best suits their business.

SERVICING & SUPPORT

Our nationwide service and support teams provide the backbone of our unique business offering. We aim to provide customers with flexible yet robust service level agreements that can be tailored to suit their individual business needs. As you would expect from a leading provider, all of our engineers are fully trained and certified to ensure they can provide the highest levels of support and advice to our customers. By investing in our service infrastructure we can deliver impressive and consistent response rates across the whole of the UK - an enviable position that is difficult to follow.

OFFICE SUPPLIES

NCS specialise in office supplies for small and medium sized businesses. We provide a personalised one-to-one service that offers low prices on a complete range of office supplies, including IT / print consumables, office stationery, IT hardware and office furniture.
