

# Helping you get more from us

We know that it's difficult for you to get time to keep up-to-date with the latest office technologies and look out for the best deals in the market - things change so quickly that we don't always get the chance to keep you up-to-date with what's new, so we've decided to gather our monthly offers, latest news and other useful customer info into one place. We hope you find it helpful...

July 08

## Toshiba Release Their Fastest Ever Colour!!

### e-STUDIO2820c/3520c/4520c

**TOSHIBA**

Introducing three new full colour systems with pin sharp, accurate colour which represent the cutting edge in terms of sophisticated imaging with unparalleled ease of use.

The new colour series developed using new technology, allows Toshiba to play a much greater role in the colour market. Businesses deploying the new MFP range are able to print high quality colour documents in-house, saving the cost and time typically involved in outsourcing these jobs.

Call our Document Solutions Team now on **0870 162 0325** to find out more.
