

The NCS logo is centered within a large white circle. Surrounding this central circle are several smaller white circles, each containing a green line-art icon. These icons represent various office and safety products: a first aid kit, a printer, cleaning supplies, a computer keyboard and mouse, office furniture (desk, chair, filing cabinet), stationery (ruler, pens, paper), a stapler, an envelope, a calculator, and a kettle. The background features a dark teal color with a pattern of white dots on the left side.
